## ABOUT THIS CATALOG

Welcome to the 2009 edition of the **Signal Press** Catalog of WCTU publications. This is the first catalog since the 2006 edition, and thus is a transitional catalog. It also includes specialized WCTU organizational materials and supplies formerly in a separate catalog, last issued in 2004. The format has changed from the long-standing 4 X 8-½ to 5-½ X 8-½. Through the years, as more and more items were added, you may have noticed that the type size became smaller to fit the specific number of pages. We hope you will find this new format allows us to give you more information about our various offerings in a somewhat more readable format and easier reference with all publications in one catalog.

In this catalog, you'll find some items that are old favorites and have become familiar through the years, some new offerings and even some items that have been updated and re-issued. Missing will be some items that have become out-dated, out-of-print or have proven to be less useful to our Local Unions and Membership. Many of these items are currently under review by your Board and we anticipate that a revised catalog will be issued in early 2010 with even more changes. In general, we have tried to indicate new or revised items by the use of **bold type**, or by subject heading.

In addition, you will note that some items may have more than one listing as we will show some items by subject matter as in the past, Alcohol, Tobacco and Drugs, but also by type of material, such as Youth Temperance Education (YTE), YTC (Youth Temperance Council) or to highlight new materials like Tips for Teens.

Every print catalog is out-of-date the moment it's published. New materials become available and others may go out of print or be discontinued. To keep up-to-date on WCTU publications from **Signal Press**, we suggest that you subscribe to the **Promoter**, issued quarterly, which will alert you to new materials and also contains special values and bargains. Subscriptions are \$3.00 per year (to cover postage). To subscribe, mail your check, payable to NWCTU, to Treasurer, NWCTU, PO Box 3140, Salem OR 97302-0140.

**Signal Press** is always looking for new materials to benefit Local Unions and Members in the fight for abstinence. If you have suggestions for items that ought to be included in our catalog, or suggestions regarding how we can make this catalog more useful to WCTU Members, please send them to orders@signalpress.org or by snail mail.

We issue an invoice with every order that can do all the totaling and percentage calculations for you. Any way you want to send the order, as long as we know where to ship, whom to bill, the number of items and their catalog number, we'll gladly fill your order.

Almost all orders are shipped USPS Media Mail with Delivery Confirmation, except special or expedited orders, charges quoted by circumstance. All orders over \$50 are shipped insured at no additional cost. (Some small items are shipped First Class and some books are shipped separately by two-day service.)

**Explanation of Charges:** The "Handling Charge" of \$3.50 applies to every order and includes the cost of picking and packing the item, boxes, padded envelopes, tape, labels and invoicing. This is a flat-rate applied to all orders, based on average costs. "Shipping" (including insurance) is an approximation of the average postage or delivery cost, which has increased substantially over the past three years.
